SPORTΛΘΟΝ

RAW CONCEPT

LIGHTER IS FASTER

Unser leichtestes Modell - spüre den Ball, nicht den Stock. Schnell, präzise, reaktiv. Pures Racing-Carbon in 11 Schichten macht ihn zum leichtesten Stock in der Fat Pipe Kollektion. Die Oberfläche ist roh. Authentisch eben.

Die Raw Concept low kick Schäfte kombinieren die Leichtigkeit der Raw Concept-Serie mit der Low Kick Technologie der K.O.-Serie. Der superleichte low kick point Schaft ermöglicht dir schnellere und genauere Abschlüsse, auch auf kleinstem Raum.

DESIGNED FOR SHOOTERS

Die leichtgewichtige K.O. Serie ist für Shooter konzipiert. 100% Carbonschäfte mit stabilisierenden Carbonfasern machen das Schiessen einfach und superschnell. Mit dem Schaft mit Low Kick-Point erhältst du eine schnellere und kontrolliertere Freigabe für deine Schüsse, was das Schiessen auf engem Raum erleichtert. Ausserdem senken die Fasern den Schwerpunkt des Schaftes und sorgen so für eine optimale Balance beim Schiessen und bei der Kontrolle des Balls.

MATERIALS

PP BOOST

PP Boosted! Our PP Boost blade material takes PP blades to the next level. PP Boost is more slippery and stiffer than regular PP, but with same ultimate ball control.

PP Boost offers ultimate ball control for ultimate dekers. Polypropylene is material with ultimate touch to the ball. PP keeps its shape well, but need proper warming when hooking the blade. PP is durable and medium stiff material with ultimate ball control.

PP HARD

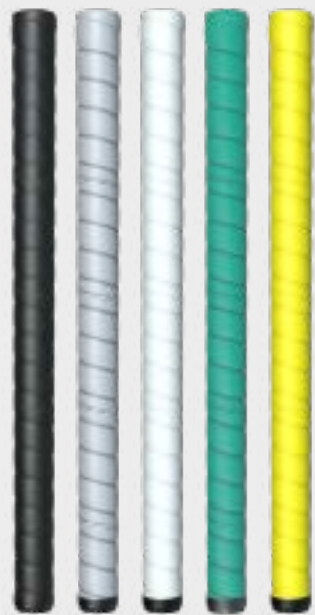

PP Hard is 20% stiffer and more slippery than PP Boost, with same ultimate ball control as PP and PP Boost.

PE

The regular one. Polyethylene material is durable and medium stiff material with good ball control.
